From the Principal's Desk

"Education is the most powerful weapon which you can use to change the world." — Nelson Mandela

Prof. Anitha B
Ph.D(N), PG.DYT, DMM, IYCF
Principal
Skylark Institute of Nursing

Education is the systematic process through which a child or an adult acquires knowledge, experience skill and sound attitude. It makes an individual civilized, refined, cultured and educated. For a civilized and socialized society, education is the only means. Its goal is to make an individual perfect. Skylark Private Trust understands the importance of the education especially in the field Health Care Profession.

Nursing is a Noble profession and play a pivotal role in ever changing health care system. Nurses are the advocates for well being of people and accelerate positive clinical outcomes. Nurses are empowered to provide evidence based nursing care with innovative approach. Critical thinking skills further augments the patient centered care and promotes the quality of care.

I am greatly rejoiced and proudly place on record the fact that Skylark Institute of Nursing which was established in 2021 by the Skylark Private Trust meets the visionary dream of its founders.

"Every Nurse was drawn to Nursing, because of a desire to care, to serve, or to help." We welcome all aspiring young minds, and caring hearts to join this Noble profession of Nursing and in pursuing knowledge and skills to serve the world at large.

In order to accomplish our vision and mission, we are prepared to take as much effort as possible for the betterment of the Nursing profession in our country, and to make our students stand out in the care and services provided by them to the larger community. We believe that education is an effective medium of social transformation. We get encouragement, looking at bright and successful careers of our students in our country as well as overseas. We feel proud that we are part of such an excellent management, which is shaping modern India.

Skylark Institute of Nursing is endowed with progressive futuristic outlook and aims to continue growth in the quality of all academic activities with a sense of commitment to fully meet the expectations of the students, parents and society at large.

Our college cares for the individual development of each and every student. We accord prime importance to the behavioural discipline, moral integrity and cognitive developments of our students. Departments of NSS, Indian Red Cross Society Unit, Extension activities, Student Nurses association, offer integrated services for the multi-faceted developments of our students.

Our aim is to provide accessible, affordable High Quality Education to diverse students for the development of Nurse Practitioners at all entries of practice.

I wish the best of fortune, peace and prosperity to all those who contribute to the noble task of spreading Education in Nursing.

"Arise, Awake and stop Not till the goal is reached" -Swami Vivekananda

MESSAGE FROM DIRECTOR'S DESK

Mr. Kalipada Adhikary Secretary, Skylark Institute of Nursing

Skylark Institute of Nursing (SION) was established in the year 2021 with a venture to prepare nurses and midwives who can provide safe and competent care in a variety of settings. Presently, we have BSc nursing and GNM programmes (4th Batch) running successfully with the affiliation of Indian Nursing Council, West Bengal Nursing Council and West Bengal University of Health Sciences. The premises of our Institute impact a student's learning environment, which helps students in building their professional roles and competencies.

Skylark Institute of Nursing emphasizes the value of education, intellectual development and practical skills of the students so that they can excel in their nursing career. The college aims at the overall development of students by igniting their minds with knowledge, skill and discipline. We have experienced and well qualified faculty members to bring out the best of the potential in each student.

SION allows students to apply their classroom knowledge to real-world situations through Laboratory demonstrations and clinical training programmes at various multispecialty Hospitals and Affiliated Government Hospitals in and around Howrah District. This helps students develop the critical thinking and problem-solving skills needed to become successful nurses. We provide a safe, comfortable, and convenient living space that helps students focus on their studies. Students can experience our Hostels, which offer opportunities for their social bonding, personal growth, and academic support.

Our Institute has left an incredible mark on curricular, co-curricular and extracurricular activities. Apart from excelling in academics, the students have proved their glorious achievements in splendid events. Individual talents and innovations are constantly encouraged by the management by providing additional facilities to achieve excellence in nursing education and ethical behaviour. These ventures help the students to evolve into truly global nursing professionals and citizens.

This institution always upholds excellence in moulding skilled and qualified graduates by imparting human, intellectual, spiritual, social and moral values. The management, the staff and the students are working hard to bring up an exhilarating road to success. Wishing all the Great Success to maintain best Nursing standards forever.

INFRASTRUCTURE & FACILITIES :

Vision : "THE FUTURE" Our faith should sustain us and carry us safely into the future. IT is therefore with Zest and pride we say: We are CC to the World, for our students we are their world. "TOMORROW WILL COME ONLY"

Tomorrow will come only if we give a chance for it. Today Skylark Institute of Nursing is a progeny to the concept of education and benefits a place of critical import in the world around. Skylark Institute of Nursing popularly known as "SION" to be more precise, is a wise choice for you if tomorrow is on your mind.

Mission

To prepare competent, committed, compassionate nurses, to serve the society by providing quality nursing education, which is at par with contemporary nursing standards and health needs, unique institutions are essential. Sustenance of such standards would primarily serve the society in enhancing patient care and thus excelling in professionalism with regards to career and growth.

Aim

To prepare competent, committed, compassionate nurses, to serve the society by providing quality nursing education, which is at par with contemporary nursing standards and health needs, unique institutions are essential. Sustenance of such standards would primarily serve the society in enhancing patient care and thus excelling in professionalism with regards to career and growth.
